

I pay for the use of my telephone service. I DO NOT want to pay for a service that permits total strangers to contact/harass me in the sanctuary of my own home. When I answer my telephone, I expect it to be someone that I know and want to talk to, not someone that is trying to financially benefit by pressuring me into making some form of monetary commitment. I have telephone books and internet, If I want their services, I can find them. Please PROTECT our right to have a little "peace of mind," and FREEDOM from sales people in the privacy of our homes.
